

MediaHub-C3

# 4K Vivid Clarity USB-C to HDMI Adapter

Mirror your USB-C laptop to view your favorite TV shows and movies in enhanced, high-resolution display on your external monitor. Simply plug and play with no complicated drivers or installation needed. HD movies, photos, and files are transferred in few seconds as the USB 3.0 ports support a transfer rate of up to 5Gbps.

## Features

### 4K HDMI Support:

Enjoy a crisp, clear display that is perfect for videos, animation, games or presentations, the adapter supports up to 4K HD output at 30Hz so that you can experience a high quality, clear display

### Quick Transfer Rate:

HD movies, photos, and files are transferred in few seconds as the USB 3.0 ports support a transfer rate of up to 5Gbps

### Reversible Plug:

Enjoy hassle-free connections, as you can now connect the USB cable in any direction

### Plug & Play:

With the convenience of plug & play support, you will not have to waste time trying to get your display setup. Just connect the adapter from the USB-C port of your laptop to the HDMI input on your display or projector, and get started right away

### Compatibility:

MediaHub-C3 is compatible with all devices supporting Video/Audio output over USB-C

## Specification
